

Name: _____

Period: _____

Define variables:

System of equations :

State your solution:

Solve the system showing all steps

Define variables:

System of equations :

State your solution:

Solve the system showing all steps

Define variables:

System of equations :

State your solution:

Solve the system showing all steps

10.

Define variables:

System of equations :

State your solution:

Solve the system showing all steps

Define variables:
